I am an account manager passionate about assisting clients through periods of growth and development. As a sales performance specialist, I am the first point of contact for Avantage clients and I closely liaise with them to identify and improve operational areas to meet targets and increase market presence.

I bring 6 years of sales experience and 2 years as an account manager to my role at Avantage. Prior to joining the team, I provided consulting services in the not-for-profit space.

When I'm away from the office, I stay active through numerous sports including rugby, golf, pickleball and hiking new terrains. One of my recent goals is to become an experienced downhill biker.
